

It's Pasta for a Purpose!

Join us as we promote higher education opportunities for our youth in the Royal Gorge Region!

For 19 years, our chamber of commerce has raised thousands of dollars towards scholarships awarded to students in Fremont County to continue their education. Once again, our partners, the PCC Foundation, will match dollar-for-dollar the funds we raise to make this happen in a big way!

Become a sponsor at one of our three tier levels, or just buy a ticket and enjoy a delicious homemade Italian feast while we celebrate and award our community's youth.
